

Data sheet

Handset JCHT35K

Data sheet

JCHT35K

JCHT35K handset is the modern design, which combines classic appearance. It has a display for height read-out in either cm or inches. The display switches off when not in use for about 10 seconds thereby saving power in standby mode. As an extra feature, the JCHT35K handset has four memory buttons so that it can clearly remember the different heights you like.

Features
